ABOUT THE STATE.

Items of Interest Gleaned From Our Exchanges.

The Hardwick Savings Bank at the last meeting of its directors voted to pay 3 1/2 per cent interest after January 1.

The funeral of Rev. Jerome Gelot was held Friday morning at 9:30 o'clock at Ludlow. It was attended by many of the clergy of the diocese.

W. N. Hickok of St. Albans town, who was poisoned Saturday by eating sausage, is still in a critical condition. The other persons who were poisoned are out of danger.

Frank Converse of Proctor, 27 years old, who by mistake took nearly half an ounce of oil of wintergreen Monday, is in a critical condition at the hospital in Proctor. Acute gastritis has developed.

William Croft of Salem, Derby, died November 30 of blood poisoning caused by getting a silver into his hand about the first of November. For some time there was no trouble but about two weeks before his death his hand began to pain him, and the physician's skill was powerless to help him. He leaves an invalid wife and several daughters.

A county conference of Baptist ministers was held in the First Baptist church at Brattleboro Wednesday to discuss methods for state, national, and world-wide extension. The Rev. W. A. Davis, of the Baptist state missionary, was present. The feature of the evening meeting was two addresses, one on "Soul Winning," by the Rev. Samuel McBride, D. D. of New York city, and one on "Christian Stewardship," by the Rev. Charles A. Cook, of Bloomfield, N. J.

Two cases of poisoning in Montpelier are thought by some to have been caused by eating "penny suckers," the candy that is sold on the end of sticks. Two children who ate that kind of candy became violently ill with nausea and the symptoms indicate, it is thought, that the candy poisoned them. The candy was of a pink color. One of the two children came down with scarlet fever, but it is thought that the poisoning greatly aggravated the onset of the fever.

E. A. Grey of Broadview farm in St. Johnsbury Center, on going to his sugar house a few days since, found that some one with a gun had made a target of the windows, breaking seventeen panes of glass. Further search revealed the fact that more damage had been done to the interior of the building than to the exterior. The evaporator, large sap holder, draw tub and other utensils had been hit by the bullets. It will take some money and considerable time to repair the damage done.

Thursday was the 62nd anniversary of the marriage of Mr. and Mrs. David Rockwood, two of the older residents of Bennington, he being 88, his wife 83. They are in comfortable health and both are blind. Only four persons are now living who were present when their marriage took place. There was no formal observance of the occasion only the descendants, all who live here except one, called and offered congratulations. Mrs. Rockwood has been a member of the Methodist church since 1837, and remembers well when the first Baptist church was built.

Michael Wall, who is reported to have disappeared from the home of his parents in Burlington some time ago, returned home Wednesday and from all appearances he is as well as usual. Inquiry at his home brought out the fact that Mr. Wall did not make his whereabouts known.

CUT THIS COUPON OUT.

MEN ARE POWERLESS

To Fight Against Disease Unless They Strike at the Underlying Cause.

To treat Dandruff, and Falling Hair, with tritantes or oils on which a parasitic germ will prosper, is like scooping water from the ocean to prevent the tide from rising.

You cannot accomplish a satisfactory cure without having a right understanding of the fundamental causes of the trouble.

You must kill the Dandruff Germ. Newbro's Herpicide does this because it is specially made to do that very thing.

When the germ is removed, the hair has no choice but to resume healthy growth and beauty.

"Destroy the cause, you remove the effect."

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

about known to his parents, although they are of the opinion that he has been in Montpelier and Barre. The man's parents did not know that he was going away and had not heard from him since his departure. When asked a short time after he left Burlington if they were worrying over their son's disappearance, they replied that they were sure that he was all right and would return in time.

LAW POINTS.

Where goods are sold by description for a particular purpose, known to the seller, there is an implied warranty that they are as represented and suitable for the intended purpose. (76 Pac. Rep. 354.)

Prohibiting the use of a room in a tenement or dwelling house for the manufacture of men's clothing, except by the immediate members of the family living there, and then only under permit from a public official, is held in State versus Hyman (Md.), 64 L. R. A. 637, to be within the police power.

A property owner in held in Hoff versus Shockley (Ia.), 64 L. R. A. 538, not to be liable for injuries to a traveler caused by obstructions placed in the street in front of the property without danger signals by an independent contractor whom he has employed to construct a building on the property.

30 Eggs From 35 Hens.

The proof of the pudding is in the eating. The value of a Poultry Food is determined by the increase in egg production brought about by its use. H. J. Hollister of No. Granville, N. Y., gives the results of his experience with "Page's Perfected Poultry Food" in the following language: "I use some of your Food all the time and get about 30 eggs a day from 35 hens."

Warning in Relation to Fires.

The public are hereby notified not to ring in the fire alarm on the occasion of a small fire or the burning out of a chimney, but are requested to call up the fire station at the nearest telephone connection and notify the fire department by this means. By order of the City Council.
